ACCESSORIES CATALOG 2020

The Rug Republic

The Republic of Fashionable Homes

Accessorize. Accessorize. Accessorize.

This has long been the advise from fashion gurus around the world when it is about personal style. Home fashion is no different. No matter how great is the architecture and furniture - without the right accessories, a space never achieves it's full potential.

In the gamut of products, materials and constructions offered by TRR, accessories like poufs, pillows and benches are the fastest growing part. The importance of this group is what has encouraged us to make it a separate catalog for 2020.

A vast variety of attractively prices accessories are always available in stock, with photography and marketing content to support the sales efforts of our clients.

Friends, we proudly present to you our first ever independent catalog of accessories!

Wishing you phenomenal sales!

Aditya
Founder

The Rug Republic

The Republic of Fashionable Homes

The price architecture of our accessories is comprised of two main categories by retail price points*.
